Premier and Regular companies registered for this event will be notified by email concerning panel selection along with further instructions. Please note that only one company representative may attend each panel and will be provided with a parking pass at the registration desk during check in.

The panel format consists of students asking a variety of career-related/job search questions, seeking advice and/or recommendations. The professor will be on hand to help moderate. The question topics are entirely driven by the students. You do not need to prepare a special presentation. The company representatives who are participating on the panel come from diverse functional areas within his/her individual company including HR recruiters, engineers, etc. Please arrive about ten minutes prior to the panel start time and check-in at the front of the class. Due to classroom size, configuration or number of chairs, company representatives may have to stand during the class (please dress comfortably). Company representatives are welcome to wear company attire and/or nametags.
