VTI - Continental
Blacksburg, VA

VTI is offering an opportunity for rising Juniors to work with us and our industry partner, Continental, starting this summer in Auburn Hills, MI and continuing through the academic year in Blacksburg, VA. The link below explains our internship program. The information for our internship with Continental is provided at the bottom of the website. Interested students should contact me directly and I can provide them with more information. We are asking students to send a cover letter, resume, and unofficial transcript to us by May 9th. If you have any other questions, please let me know.
