

Career Opportunities at CGI

CGI Federal is seeking graduating seniors (December and May) for entry-level Technical Consultant positions located in Fairfax, VA.

A new college hire joining CGI in a technical role will quickly become involved in the technical components of a client project. You may also gain considerable exposure to business issues and client challenges of a project in team meetings and project updates. Your first assignments typically leverage your computer knowledge and analytical skills to bolster the project team's valuable technical know-how.

Disclosure: CGI Federal serves clients in the Federal Government and therefore may require employees to obtain a security clearance. All applicants must be eligible to work in the US for an indefinite period of time.

Please contact Mallory McIvor, College Recruiter, at mallory.mcivor@cgifederal.com to schedule a telephone interview.
