

CS 5045 – Computation for the Life Sciences  
Fall 2003

Homework 04

September 17, 2003

Problems 5.2, 5.5, 5.8 from the text, page 85.

You need to implement the programs and make sure they work. The code (together with any input files) will be submitted via email to [asandu@cs.vt.edu](mailto:asandu@cs.vt.edu).
