Virginia Tech
Advanced Research Institute (ARI)
Arlington, Virginia

GRA Internship Opportunity Starting Summer 2017

One or two paid internship positions are available at Virginia Tech - Advanced Research Institute (ARI) in Arlington, VA (www.ari.vt.edu). Address: 900 N. Glebe Road, Arlington, VA 22203.

ARI is looking for CS juniors/seniors/grad students who have the following software experience. Experience in Python, database (SQL, Cassandra), Javascript (Typescript ES6), HTML are preferred. Interns will be assigned to work on developing a web-based user interface, as well as mobile App for Android and iOS platforms.

Interested applicants should send their CV, stating qualifications and relevant experience, to Dr. Manisa (mpipatta@vt.edu) **no later than 15 March 2017**. Please also mention your academic advisor, current thesis/dissertation topic, if any and GPA in the CV.
