SUMMER 2014 INTERN: Android Development Intern

HIRING MANAGER: Aditya Gore

LOCATION: Tysons Corner, VA

HOURS PER WEEK: 37.5

In search of talented college or grad students looking for an experience enriching paid summer internship. Come join Gannett, a top global digital media and Fortune 500 company, for our 2014 Gannett Digital Summer Intern Program. As part of the Gannett Digital team, you will develop, integrate and apply digital technologies in support of our strategic initiatives. This 8-week (minimum) program offers mentoring from those at the top of their game, networking and real world experience in a fun, start-up like environment. As part of our team, you will work on meaningful and impactful projects as well as connect with other interns and engage in professional development activities supplemental to the job. Come join us!

PURPOSE:

The person will directly report to a Technical Manager for Android mobile products and ideally should have working knowledge of agile software development, Java and Android. The person must be able to research SDKs individually, and work collaboratively to solve technical design and implementation problems.

KEY RESPONSIBILITIES: Intern duties include:

- Build and run apps on Android devices
- Study SDKs and documentation
- Evaluate open source SDKs
- Code, code, code!

EDUCATION, EXPERIENCE, SKILLS, KNOWLEDGE & ABILITIES:

- Computer Science, Math, or Computer Engineering or related studies
- Background in Java is required
- Version control experience is desired, Git experience is a plus
- Unix shell experience is desired
- Experience using OS X or Linux is a plus
