SUMMER 2014 INTERN: iOS Development Intern

HIRING MANAGER: Scott A. Guyer

LOCATION: Tysons Corner, VA

HOURS PER WEEK: 37.5

In search of talented college or grad students looking for an experience enriching paid summer internship. Come join Gannett, a top global digital media and Fortune 500 company, for our 2014 Gannett Digital Summer Intern Program. As part of the Gannett Digital team, you will develop, integrate and apply digital technologies in support of our strategic initiatives. This 8-week (minimum) program offers mentoring from those at the top of their game, networking and real world experience in a fun, start-up like environment. As part of our team, you will work on meaningful and impactful projects as well as connect with other interns and engage in professional development activities supplemental to the job. Come join us!

PURPOSE:

The person will directly report to a Technical Manager for iOS mobile products and ideally should have working knowledge of agile software development, Objective-C and iOS. The person must be able to research SDKs individually, and work collaboratively to solve technical design and implementation problems.

KEY RESPONSIBILITIES: Intern duties include:

- Study SDKs and documentation
- Evaluate open source SDKs
- Build and run apps on iOS devices
- Oh yeah, write code!

EDUCATION, EXPERIENCE, SKILLS, KNOWLEDGE & ABILITIES:

- Computer Science, Math, or Computer Engineering or related studies
- Background in either C, C++, or Objective C is desired
- Git workflow experience is a plus
- OSX experience is a plus
- Unix shell experience is a plus
